Equipping

members to serve others, Mended Hearts hosts regular training and leadership events. Mended Hearts members participate in an annual Leadership Convention and various regional workshops in addition to activities sponsored through their local chapters.

Annual Convention

The Annual Convention brings members together from across the country for energizing speakers, informative seminars, networking opportunities and social activities. Participants leave this key training and leadership convention each year with renewed energy to carry out the mission of Mended Hearts. The 57th annual convention will be held June 6-10, 2009 in Orlando, Florida.

Regional Workshops and Cluster Meetings

At the regional level, workshops and cluster meetings are held at scheduled intervals to train members and chapter officers as well as keep members up to date on the latest medical advances in heart disease.
